Nimir Petroleum

AN ARTICLE on June 29 referred to Nimir Petroleum Ltd in incorrect terms. We are happy to make clear that Nimir, a UK company, is ultimately owned by Sheikh Abdulrahman Bin Khalid Bin Mahfouz and Sheikh Sultan Bin Khalid Bin Mahfouz. Neither is related in any way to Osama Bin Laden.

Nimir was not involved in any joint venture with Delta Oil to build a pipeline across Afghanistan.

We accept that Nimir and its owners condemn all forms of terrorism.

We apologise to Nimir and its owners.
